D VIDEO CLIP SUBMISSION

You are required to submit a piece-to-camera[#] video clip as part of your application for the Overseas Student Attachment Programme 2024.

- The video should be in .mp4 or .wmv format, no more than 2 minutes and file size within 200MB.
- The video clip should show
 - a self-introduction;
 - what your field of interest in STEM is and why;
 - what you hope to learn from the attachment programme;
 - brief description of any previous research experience.
- Your audio recording must be clear; your voice must not be drowned by background noise. Avoid adding background music to the video.
- Save the file in the following format: NAME_SCHOOL.mp4/wmv
- Schools are required to set an internal deadline for the students, to ensure that submission to the designated folder in Google Drive by **6 February 2024, 12 noon**, through HOD (Sciences/Special Programmes).

#A piece-to-camera video clip is one in which you speak directly to the camera addressing your audience.
